Reference is invited to Para 9. inquiring as to the deputation of the Supt. or the Deputy Supt. to Bombay to study the working of the rules relating to the Record of Rights introduced in that Presidency. No action seems to have ^{been} taken on the matter as the former Dewan ~~order~~ ordered in January last that the subject may be over for the Present (Flag T).

The Revenue Commissioner has suggested (Flag T) that Mr. Helikar may be deputed for the purpose as he has already studied the subject and knows Marathi and that he wd himself go to Poona after Mr. Helikar's report is received.

I discussed this subject with the Re. and am inclined to agree with his views that Mr. Helikar is perhaps the best officer that can be selected for the purpose. We want not only the various Govt. reports on the working of the rules but also the real views of the people whom these rules affect vitally. Mr. Helikar has knowledge of the language of the people, local influence and can more easily get at the truth in regard to all these matters than any other officer. This proposal of the Re. may perhaps be approved. The question of deputing the Re. himself may be considered later on. ~~The nature of the~~ The views of the Re. on the nature of the inquiry, that should be conducted, and length of the period of deputation etc will be obtained after the officer is selected.

In connection with the question of the introduction of the scheme of Land Mortgage Banks into the Malnad it is proposed to introduce the system of the Records of Rights into one talukⁱⁿ each of the Malnad Districts. The Superintendent of Survey has also proposed that as the re-settlement operations have been completed, steps may be taken to introduce the system of Record of Rights and such functions delegated to the Superintendent of Survey. The Revenue Commissioner has also suggested the deputation of an officer to study the system.

Q
When a resolution on the subject of the Record of Rights was moved at the Legislative Council, Government have promised to depute an officer for the purpose.

P
2. Mr. Srinivasa Rao, Deputy Superintendent of Survey was deputed in 1926 to study the system of resettlement in Bombay and in that connection he has devoted some attention to study the system of the Record of Rights also. But his report merely describes the system and the question as to the exact manner in which the system may be applied to Mysore has not been thoroughly investigated. Before we take any action it is, therefore, desirable to depute a special officer to study the system. As our revenue system is based upon that of the Bombay Presidency, it is necessary to select an officer who knows Maratti as the records in the Bombay Presidency are kept in Maratti.

Page 5
(copy note)
I was at first under the impression that Mr. D. Srinivasa Iyengar who, as Superintendent of Revenue Survey, has an intimate knowledge of the Survey System, may himself be deputed but as he does not know Maratti I had the subject reconsidered in Council, who have resolved as follows :-

Dear Mr. D'Souza,

As desired by the Dewan I have addressed the --
Revenue Commissioner in the matter of my deputation to
the Bombay Presidency, ~~a copy of which~~ I enclose for --
your information *a copy of my communication*

I think it will be sufficient if the Bombay ---
Government intimate their Director of Land Records and
the Commissioners, Central and Southern Divisions that
I have been deputed to study the system there and that
I shall put myself in communication and draw up my ---
itinerary in consultation with them and that ~~They~~ should
issue necessary instructions to their officers.

Yours sincerely,

Sir,

Government Order No. 354-7/C.B. 18-26² dated 27th July 1926 sanction-
-ing the deputation of Mr.G.B.Heblikar, to the ---
Bombay Presidency to study the Record of Rights
System.

===

I understand that the Government have not yet addressed the
Government of Bombay in the matter of my deputation sanctioned in the
Government Order referred to above. I, therefore, request you to --
let me know as to when I should hand over charge to Mr.D.Srinivasa
Iyengar and whether I should report myself to you or at the ----
Secretariat on relief at Chikmagalur. Mr.Srinivasa Iyengar saw me
yesterday and told me that he has no objection to extend his leave
by 10 or 15 days if arrangements could be made with the Government
of Bombay during that time.

2. I propose visiting Poona, Belgaum and one or two Taluk
Head Quarters in the Bijapur and Dharwar Districts. I propose going
to Belgaum because the Superintendent of Land Records, Southern ---
Division, has his office there. You are doubtless aware that the -
Mysore Survey System is based on that of the Southern Mahratta ----
Country (Southern Division) which differs in some respect from that
of the Deccan (Central Division). After acquainting myself with the
working of the Record of Rights in the moffusil, I want to study the
working

working Office working of the Office of the Superintendent of Land Records. After that I intend visiting Poona where the Director of Land Records and Survey and Settlement --- Commissioner in Bombay has his Office. As it may, perhaps, be necessary to alter this programme slightly, I think it -- will be sufficient if the Bombay Government inform the --- Commissioners, Central and Southern Divisions and the ---- Director of Land Records that I shall put myself in communication and arrange my itinerary in consultation them.

3. I propose that following staff may be given to me during the period of my deputation:-

(i) Two experienced officials who are acquainted with the working of Taluk, Sub-Division and District Offices.

(ii) A good Steno-Typist,

(iii) Two menials whom I shall take from N my --- District.

4. I would suggest the name of Mr. Srikanta Sastri, -- Head Accountant of the Office of the Commissioner of Income-Tax in Mysore, Bangalore. He has worked in Taluk, Sub-Division District and Survey Offices, and is thoroughly acquainted with the details of Revenue work. I shall be glad if he is deputed to work under me for about a couple of months. I shall take -- the other officials, (probably from my District) whose names I shall communicate later on.

5. I suggest that as the journeys will be costly, and -- expenditure heavy and the work taxing, deputation allowance -- at the rate of 20 per cent of pay may be given to everybody.

6. I am not in a position to say what the contingency expenses

SMH

expenses may amount to. As advances will have to be made to menials and considerable amount spent on the trainage, freight etc., I --- suggest that an imprest of Rs 300/- may be given to me. All expenditure will, of course be accounted and vouched for.

I request you to treat the matter as very urgent.

Record of Rights - Deputation of Mr. G.B. Heblikar to study.

Adverting to G.O. No. 354-7/C.B.18-26-2 dated 27th July 1926 deputing Mr. G.B. Heblikar, B.A., LL.B., Deputy Commissioner, to Bombay Presidency to study the System of Record of Rights, and Notification No. 417/C.B.18-26 dated 28-7-1926 ordering his relief by Mr. D. Srinivasiengar on the 3rd instant, I have the honor to forward herewith a copy of letter No. S 1-1315-26 dated 1st August 1926 from Mr. Heblikar in the matter and to state as follows:-

2. It will be convenient if Mr. D. Srinivasa Iyengar's leave could be extended by about three weeks and arrangements made with the Government of Bombay on the lines indicated by Mr. Heblikar. It is unnecessary in my opinion that he should hand over charge at once and remain awaiting orders, for, what may turn out to be, a considerable time.

3. Mr. Heblikar proposes for his staff two experienced officials who are acquainted with the working of the Taluk, Sub Division and District Offices, a good Steno-Typist and two menials and suggests deputation allowances at the rate of 20% ~~of~~ to these officials. I am of opinion that one senior official in place of two would quite do, and with this modification, the staff proposed may be sanctioned and deputation allowance also granted. The question as to which official should be selected can be decided later on.

The leave has
been extended
by 2 weeks.

4. Mr. Heblikar proposes the grant of a permanent advance of Rs 300/- to meet petty contingent expenses of immediate nature. I think a sum of Rs 200/- would quite do and may be sanctioned.

Dear Sir,

With reference to Government Order No. 607-10/C.B. 18-26-7 dated the 11th instant, directing that the services of Mr. M. Srikanta Sastri, Head Accountant of this office be placed at the disposal of Mr. Heblikar during his deputation to the Bombay Presidency, I beg to say that if I had been consulted in the matter before the proposal was made to draft Mr. Srikanta Sastri as Senior Clerk on special duty with Mr. Heblikar, I would have explained the difficulties in the way of complying with Mr. Heblikar's request. Mr. Srikanta Sastri has just been appointed as Manager of the Deputy Commissioner's office, which appears to need overhauling very badly. Among the other senior officials in the department, I find no one who could take up the place of the Manager as they do not possess the qualifications needed. I, therefore, find it impossible to spare the services of Mr. Srikanta Sastri. Further as this deputation would be for a short period, there would also be unnecessary dislocation of work in the department.

2. Under the circumstances, I request that Government may be pleased to ask Mr. Heblikar to select some other official of the Revenue Department, preferably from his own office.

Dear Mr. De Souza,

I am in receipt of your

I am surprised to hear that the office of the Dy Commr of Income tax cannot get on for even a couple of months without Mr. Srikanth Shetty. It is getting on without him now and can; I assure you, do so for a few months more. I know every offl in that office intimately - in fact better than anybody else. I think it is not fair to them to say that they cannot do without a particular offl.

My difficulty is that the period

of my deputation is so short that I cannot afford to try a ^{new} man I do not know & who is not acquainted with my method of work. I wd most certainly not have asked for a man from outside if a suitable man were forthcoming in my district, which as you know is the dumping ground for those not wanted elsewhere. So I hope the Govt will ~~as~~ request the Commr of Tax to direct Mr. Srikanta Shastri to report himself to me at B'lore on the 26th instt.

I have no stenotypist in my dist. Can you give me one? or request the Income Tax Commr to spare the services of Mr. Laxmi Narasimhaiah who was my stenotypist when I was Dy Commr.

I shall go to B'lore on the 26th instt. to ~~stand~~ await replies from the various officers whom I can address only.

With reference to the correspondence ending with your telegram dated 16th August 1926, I am directed to state that the Governor in Council has no objection to the proposal of the Government of Mysore to depute Mr. G.B. I am to suggest that Mr. Heblikar may be asked to begin his study in the Southern Division as proposed. Then, if desired, he may go to Poona and see the Director of Land Records and the officers of the Central Division. In the opinion of this Government, study in the Northern Division should be left out from the programme as that Division affords no resemblance to Mysore conditions. I am to add that Mr. Heblikar may be asked to arrange his itinerary in consultation with the Director of Land Records, Poona, who will put him in communication with the Superintendent of Land Records and the st District Inspectors of Land Records. It is not necessary to trouble the Collectors of the districts but they should be informed of Mr. Heblikar's tour programme, etc.

Dear Mr. D' Souza,

With reference to your D.O. letter No. 793 / C.B dated 2ND September 1926 re. the relief of Mr. Srikanta Sastri to work under Mr. Heblikar on deputation, I write to say that Mr. Heblikar did mention to me, when I was acting as Revenue Commissioner last month, of his intention to select Mr. Srikanta Sastri, and I expressed my opinion that the Official would be suitable for the work expected of him. More than this I was, of course, not competent to say then, nor did I say anything more.

Now, I have myself no objection to send Mr. Srikanta Sastri, but before taking action in the matter, I wish to place before Government the inconveniences represented by the Deputy Commissioner of Income Tax in his letter, copy enclosed. If, however, Mr. Srikanta Sastri must be sent, I shall certainly direct his being sent immediately, making as satisfactory arrangements as possible for the Manager's place in the Deputy Commissioner's Office.

I am sorry for the delay of a couple of days that this correspondence has occasioned, but I wished the whole of the facts to be placed before Government.

Yours sincerely,

Dear Mr. Abdul Hukh,

I hereby confirm the talk I had with you about sparing of Mr. Sastri's service. As I have already written to the Excise Commissioner that the work of the Office could not get on without a Manager I need here vibrate the necessity of having a permanent man for the post. I find my Office in a chaotic condition and I wanted a man of Mr. Sastri's experience and traditions to set matters right. I have entrusted him with this work and he has been applying himself to it. It would be not at all conducive to the good order of my Office to take him away now.

I hope you will press my views before the Income Tax Commissioner and if necessary place this letter before him.

Camp Bangalore,

Dated, 6th September, 26.

Dear Mr. D'Souza,

I have received a letter from the Director of Land Records, Bombay, asking me to meet him at Poona on the 11th or 12th instant. As I have not heard from you or the Income-Tax Commissioner about Mr. Srikanata Shastri and Mr. B. Thimmappaiya whom I propose to take with me, may I request you to request the Income-Tax Commissioner to direct Mr. Srikanata Shastri to report himself to me to-morrow without fail, and to write to the Deputy Commissioner of Kadur District to relieve Mr. B. Thimmappaiya forthwith. I have asked him to keep himself in readiness to join me at Kadur. It will be sufficient if you write to the Deputy Commissioner Kadur District, to-day.

I also request you to obtain orders of Government about type-writing machine, articles of stationery etc., to be given to me.

I solicit very early orders in these matters.

Yours sincerely,

S. B. Hebbar

Dear Mr. D' Souza,

With ref. to your D.O. No

C-13 dated 7-9-1926 and to our
personal conversation in the matter
may I request you to obtain orders
of Govt sanctioning the deputat
of Mr. C. S. Raniach of the Confd
Branch to work under me in
lieu of Mr. M. Srikantha Shastri
during my spl duty. He may
kindly be asked to report
himself to me at Sharwar on
on the 21st instt.

I had a very long con-

conversation with Mr. Anderson
(Director of Land Records) about
my work in this Presidency.
He suggests my working first
in the Dhairwar Dist (where the
new system is just introduced)
and then in the Belgaum Dist
(where the work is done under
the old system). He issued neces-

studying the literature on the
subject. I may add that I hope
to complete the work within the
given time.

I shall be in Dhairwar on

to Bombay tomorrow. Yours sincerely
G. H. Kar
